4. Comments

TCBHS has successfully hired 2 clinicians who work as our Triage Workers, and a 1/2-time Peer Specialist. The Triage Workers fulfill the need for having staff available during the weekend, which includes day and evening hours, especially filling in for the Crisis Call gaps and offering drop-in Group support during these weekend hours. They also are available to assist the Sheriff, Probation, Emergency Room, Health & Human Services, HRN (Human Response Network), and Behavioral Health Services.
